INFORMATION

Master in Interior and Living Design -MILD- intends to create a new professional character: a designer of spaces and services, able to conjugate technical-design skills, solid cultural basis and strategic abilities. During the Master, the students are given the possibility to deepen their knowledge of design tools, not only related to the industrial or craftsmanship production, but also to functional and style changes sensed by the consumers.

AMUSE US / STORE AND MORE - MILD

READ MORE

Amuse us is an international competition aimed at the collection of design ideas sharing a new interpretation of 'quality time' for places and people. The competition addresses young graduates coming from architecture, interior design, engineering faculties or people with a relevant experience in the field of interior design.

STORE AND MORE

The concepts will have to propose a commercial and entertainment space where to enhance meeting, exchange, sharing and fun occasions: consumption, lightness, seduction, art, surprise, polyethnicity and relax are the keywords to start from. A new concept of store: a pole of attraction for a company that is attentive, demanding and contemporary. All participants are given a space of mt. 12x12 height mt. 6, open to the public, overlooking and interacting with the city.
